REMEMBER TO VOTE— TUESDAY, NOVEMBER 6

"Responsible citizenship is a virtue, and participation in political life is a moral obligation." -- Forming Consciences for Faithful Citizenship

By our baptism, Catholics are committed to following Jesus Christ and to be "salt for the earth, light for the nations." As the Catechism of the Catholic Church reminds us, "It is necessary that all participate, according to his position and role, in promoting the common good. This is inherent in the dignity of the human person ... As far as possible citizens should take an active part in public life" (nos. 1913-1915).

St. Joseph School

Mission Statement: Centered on the Word of God and the Eucharist we gather as a community of disciples of Jesus Christ as we seek fullness of life. Blessed with many cultures and gifted with the Hawaiian spirit of Aloha we pledge to share our heritage and our faith, and commit ourselves to the full development of our people. With Saint Joseph as our patron we offer our gift of self for the greater glory of God.

Dear brothers and sisters,

Below is the text of the letter that was given to the Faculty & Staff, the Advisory Board members and the parents who have students at St. Joseph School. I wanted to share this letter with you as well.

Peace in the Risen Lord.

October 19, 2012

Peace in the Lord Jesus Christ!

On October 11, 2012 we began the Year of Faith which will run until the Solemnity of Christ the King on November 24, 2013. The Year of Faith is meant to renew the entire People of God to not only receive the faith and rejoice in it, but the share our faith boldly with others. We at St. Joseph are particularly blessed to be able to do this not only with our brothers and sisters in the congregation but also through our Ministry of School.

For many months now I have listened to the rumors that St. Joseph School would be closing and I believe that it is time to put these rumors to rest! In keeping with the Year of Faith I want to assure you, the teachers and staff of St. Joseph School, the parents of St. Joseph students, the parishioners of St. Joseph Parish and the community at large that St. Joseph School is not now nor in the foreseeable future going to be closing. Yes, there have been challenging times in the past and I thank each of you for your efforts, your commitment and your belief in the ideals and values that St. Joseph School represents.

Today I am reaffirming our commitment to providing an academically rigorous and **spiritually rich curriculum experience that is "nurtured in a faith community blessed with many cultures, gifts and talents" in its present pre-K through 12 format.**

St. Joseph School holds the greatest promise and opportunity for learning, practicing, and perpetuating the Catholic identity and faith and we as members of the St. Joseph Catholic Community are committed to seeing that this legacy continues.

In Jesus, our Fullness of Life,

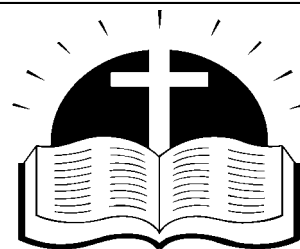

Fr. Samuel E. Loterte, SSS
Pastor
