PRAY FOR US!

Then Jesus took the loaves, gave thanks, and distributed them to those who were reclining, and also as much of the fish as they wanted. When they had had their fill, he said to his disciples, "Gather the fragments left over, so that nothing will be wasted."

-John 6:11-12

Weekly Reflection: 17th Sunday of Ordinary Time – Year B

“Five Loaves of Bread and Two Fish”

Confronted by the enormity of the world’s problem or just our city’s problem like the growing number of homeless people, we feel hopeless that with the very little we have to offer “ but what good are these for so many?”

It is because of this feeling of inadequacy that has paralyzed us from taking that little step of making known that God continues to live among us: after all, five loaves of bread and two fish are nothing to feed 5,000 men. But Our Lord Jesus proves us wrong.

Five loaves and two fish in our hands indeed may be nothing. But five loaves and two fish in the hand of Jesus is everything. It is not the quantity of fish and bread that mattered. Rather it is the hand of Jesus that blesses the bread and fish that mattered. The way he could bless our limited time, our limited talents, our limited resources for the proclamation of His kingdom.

But of course, it happened because the little boy in the gospel was ready to give away his provision of bread and fish. Was he not anxious and afraid that he might starve and get hungry? Probably, he was. But he did not let his fear take over, instead, he choose to trust in Jesus. He must have listened intently on every word of Jesus. And he truly believed his words.

That little boy learned to let go and let God to take hold of his life. Are we ready to follow?
