6th Sunday in ordinary time 2020

"I have come not to abolish but to fulfill the law."

On their way to the promised Land, God gave the Israelites through Moses the 10 Commandments. It was meant to be God's gift for them – to help and guide them enter into a loving relationship with the Lord. It was meant to be simple but man complicated it with his legalistic interpretations. Thus, the law became oppressive.

And Jesus wants to restore the original intent of God for the Law. Thus, we hear Jesus say in the Gospel this Sunday, "I have come not to abolish but to fulfill the law." And for Christ, love is the fulfillment of the Law because God gave the law out of his great love for his people. Hence the law must be interpreted in the light of the law of love. And our observance of the law must be animated therefore by love. . love for God which overflows to our love for our neighbor. . The law was never meant to be a burden but a means for us to achieve the fullness of life because it provides for a way of encountering God in our lives and thus be able to respond to his offer of life and love.

Let us pray that as we offer the Eucharist this Sunday, may the Lord may take hold of our hearts and move us to first seek our brothers and sisters and truly be reconciled with them.

Winter Cold and Flu Season

As always, you are reminded to use common sense in the reception of Holy Communion from the chalice during the annual cold and flu season. If you are feeling ill or think you may have been exposed to a virus, you should refrain from partaking of the Blood of Christ from the communal chalice. In the same way, you should refrain from offering your hand to others at the sign of peace. A smile and a heartfelt "Peace be with you" should suffice. Likewise if you are not comfortable sharing the sign of peace or receiving Holy Communion from the communal chalice for fear of infection, you should feel no pressure to do so. All of us must be aware of such sensitive matters in the intimate life of the Christian community and we should expect that some will refrain from the sign of peace and the communal chalice out of care for our well being and not out of unkindness or a lack of piety.

STATIONS OF THE CROSS
